

Dear All,

The presentations are postponed to Tuesday 14/5 during the second and third slots. You will know the order of presentations one by one.

Please note the following:

1- All the team members should attend all the presentations, no one will be allowed to enter after 10:30.

As all team members are presenting different topics so you should know how all the concepts you took during the semester are implemented in a sample database.

2- Each presentation should be 10 mins. As stated in the project description each team should start the presentation with explaining part of the chapter that is related to his problem. Then, explaining his problem and how it was solved and should show a working demo.

3- The presentations will be followed with Quiz 3.

4- The quiz and the questions you might be asked during the presentation will be about ALL the chapter assigned to you.

Good Luck :)
